There's something we've learned from some of the letters we've received: there is one certain infatuation most all women have in common: love for a man who can consistently deliver a healthy and voluminous orgasm.

Having said that, here's yet another letter that is a pretty accurate representation of the type of comments we get on this topic. It's written by a woman providing continued proof for all of the men reading this publication and is further evidence by women, backing what others have said about the topic: lotsa large loads and she'll never forget you.

Sasha writes:

My husband and I are all out exhibitionists and we've since found our latest kink: uploading our video clips anonymously on the web for everybody to watch! We posted about a dozen of our own amateur videos on adult peer-sharing sites that usually end with 'tube' at the end, and we have to admit that were really proud of them. Most of our clips are various blow job videos. There are a few reasons for this: (a) I absolutely love sucking cock and I'm really good at it! (b) My man's cumshots are "a huge notch above the norm;" and (c) recording blow jobs is really pretty easy to do. It's a simple process: I lay my man down on the bed or push him down onto a chair, park myself between his legs and as he points the camcorder down at me, I use my hands and mouth to milk his cock and balls until he unleashes a hot load of cum all over my face and boobs.

Our videos have gotten much better since we first started and since we've become experts at lighting and mood and capturing crisp audio. But what made the whole thing truly rewarding is that our video clips have gotten a lot more viewing since I've started stimulating his prostate. Yes, I stick my finger in his ass and gently probe and wiggle and he shoots off cannons of cum. In fact the last three of our video uploads have made the 'most viewed' and 'top rated' categories on the sites we've posted them on.

It's the only logical theory I have for the increase in viewings and all the five star ratings. (Besides my expert cock milk-

ing.) There have been at least three to four times the amount of comments as before. Here's a few: "Gotta love that huge low he drowned her with," and "What a great money shot!!!" The most flattering comments was posted by a female viewer. "Wow. The guy's got incredible ropes..."

Now I've always loved huge pops but I'd only seen a few on video and the dozen or so men I've been with before my hubby could never ejaculate as long and hard as he's able to now. He comes so hard he almost passes out after pumping out his last power rope! I do have to admit though that before we started making videos, I never really looked at the amount of his cum. But now that it's on video I've noticed that almost immediately after the prostate

tickle, his orgasms practically doubled in length, volume and strength. Maybe it's the camera and lights, and the extra time I have to spend blowing and fingering him, so we can change camera angles!

The other thing I've noticed since we've been doing this is that he can get rock hard again in a few minutes compared to the recovery time it took him a few months ago. There were times he couldn't even get it up a second time! Now there's never a question. I can always look forward to another great love session, ending with a second humongous wad that's just as strong as his first.

I love watching and feeling his strong ropes so much that I make him promise me his first load is always meant to cover my face (for the visual affect of course); second round I let him choose where he wants to unload. His orgasms are so strong I can actually feel his cock jump and twitch, whenever he's pumping. Even when he's jamming my pussy, his strong orgasms trigger my own gushers; and were able to come simultaneously. Guys trust me, your lady will love you more than she does, and you'll love her more back.

I'M A GOOD
WISH NOT A
BAD WISH

I love my bald pussy.
And guys like it, too.
It feels extra sensitive
right after I shave it
and it gets me horny
even faster. I shave
it two times a week
because I don't like
the stubble. Neither do
my sexual partners. I
find that they are extra
spunky when my pussy
is hairless. I have to
admit, I like the way it
looks, too. But it's the
ultimate sensitivity that
I really enjoy. Sorry,
I gotta go and
shave now!

While you guys tend to focus more on sex with the little brain in your cocks, we women tend to use our mouths, fingers and tongues more for sex. It's pretty evident we love sex as much as you when we suck your cock, but you have to take the time to please us too. But when you're with another woman, the mouth and tongue become more sensual sex organs than just our pussies and asses.

share and share alike

This summer, I was on spring break with my new wife, Steffi. We were in South Padre Island – out to dinner with some college friends, Justyn and Farah, and after several bottles of red wine we were all feeling a little tipsy, and a little friendlier. We went back to their hotel room to play a few hands of poker and watch some TV. We played a couple hands and my wife, Steffi, won both of them. Then Farah suggested we up the stakes: strip poker. Steffi and I looked at each other and I said I was game if she was. She was a bit hesitant, but after winning the last two hands, she felt quite confident.

I knew Justyn had eyes for Steffi, and I kinda had a hard-on for Farah, so I was all for it. Farah dealt the first hand and Steffi won again. We all took off a small piece of clothing and had another round of drinks. Four more hands and some of us were down to our civvies. I had on a T-shirt and boxers; Steffi was in her bra and panties; Justyn was just in boxers

and one sock, and Farah was in bra, panties, shirt, and she still had her smile on.

It was now my deal. We were drinking and laughing as bets were made. Justyn won and I dropped my shirt, Steffi her bra, and Farah stood up and started a little dance as she began to undo the buttons on her shirt. All of a sudden Steffi got up and started to help her. She reached down between Farah's legs and pulled the panties off of her. Throwing them over to me, I caught them and twirled 'em around, egging the girls on. As Justyn and I looked on, they started kissing each other and Farah reached over and pulled off Steffi's bra and then pulled down her panties, throwing them to Justyn. She then gently pushed Steffi onto the table and grabbed her knees to spread them. She lowers her head into Steffi's crotch and begins to lick her. We guys watched as she licked and stuck her fingers inside my wife's wet pussy.

I get up first and position myself behind Farah. I drop my boxers and slip my cock inside her as she continues to lick Steffi. Justyn saunters over beside Steffi and offers his hard dick to her mouth. She obliges and grabs his ass to pull him closer to her. Justyn and I grab a couple of the wine glasses from the table and toast each other over the girls. Farah then stands up and pulls me out. She seats herself next to Steffi on the poker table and motions me to continue fucking her as she opens her legs and gets into position for my cock. Justyn takes advantage of the change and moves around to drop between Steffi's legs and now he begins to lick her. I watch as he sucks my wife and he watches as I fuck his.

All of a sudden Justyn gets up and lays down on the table. Steffi proceeds to rub him back to hardness. Her mouth works on his cock and he's instantly hard again. I'm still fucking Farah and she begins to moan that she's cumming. I pump harder and feel her wave of orgasm as she bucks and shakes the

table. Justyn seems to have made a miraculous recovery and Steffi brings him to climax taking his jizz in her mouth and then spitting it into a wine glass. It seems that both of our friends have cum so Steffi and I are left to finish off ourselves. She grabs me by my stiffie and pulls me to the bed. Immediately she sits on the bed and pulls my cock into her mouth. She works it like a pro and then leans back and guides it into her damp pussy. I can't resist banging her as hard as I can and we end up fucking our heads off.

In the morning we called our friends to see how they were. Farah says they are both fine and had a great time last night. We agreed and said that we should do it again next time we spring break. I think we're going to plan another trip here next month and not wait for spring break.

— Samuel, El Paso

and here's to you ms rosen

Who would have thought my best sexual experience would be in a bank branch just off campus where I work part time. After closing one night, I was cleaning the banking floor as normal when I hear someone upstairs, so I went up to see what was going on. I walked down a hallway to the far office and to my surprise, there was the manager Ms. Rosen laying on the couch naked, sliding a dildo in and out of her pussy. She is a good looking woman – early thirties, nice 36-C boobs. She was oblivious to me watching her. I stood there several minutes, my cock stiffening. Suddenly, she noticed me standing in the doorway and without hesitation, smiled and said why don't I come in. I didn't think twice and went over to her. She sat up and undid my pants and slid them down. She took my cock in her mouth sucking on it, making it even harder.

Mrs. Rosen laid back on the couch, legs wide open, and in a second I was naked and between her legs and slid my cock into her until all of it was up her hot wet pussy. I plunged in and out of her, banging my balls against her soft ass cheeks. She wrapped her legs around me and was bucking against me as she was cumming. I was inside her, banging her until I shot my load of juice up her fucking soaking wet

pussy until I went limp. After catching our breath, we both got dressed, she went home and I finished cleaning the offices.

Everything went on as usual for about a week until one evening I saw she was working late and she was wondering if I eat pussy as good as I fuck. I said, well there is only one way to find out. She wants to find out. She did not mince any words. She said she'd be off tomorrow, come over to her home after nine. She gave me her address and insisted that I be right on time.

She sat up and undid my pants and slid them down. She took my cock in her mouth sucking on it, making it even harder.

As I fucked her, I had her stretched out in the wishbone and pounded that cougar pussy the whole day. The bed rocked back and forth, her loud moanings were the only sounds in the place. She let out a moan and said 'fuck me harder.'

The next morning I was with her in the bedroom. Both of us naked. I went down and ate pussy, nice and plump and pink, licking and sucking her clit over and over until she was cumming. I slid my tongue in her pussy and she was moaning and pushing her pussy against my mouth. She whispered that she was ready for me, and my cock. I worked my way up over her body as my cock found it's target. I had her legs over my shoulders, thrusting into her.

As I fucked her, I had her stretched out in the wishbone and pounded that cougar pussy the whole day. The bed rocked back and forth, her loud moanings were the only sounds in the place. She let out a moan and said 'fuck me harder.' I was more than happy to do so, taking her legs over my shoulders and shoved my cock deep into her, fucking her, pounding her, her boobs bouncing.

Her pussy tightened around my cock as she was cumming again and she said 'don't stop.' I didn't until I exploded and filled her pussy with my cum and

then went limp. But Ms. Rosen still wanted to fuck some more. She sucked my cock hard again, straddled me and we fucked until we both came again.

Everytime we have sex, she says she's in paradise and lays there with her mouth open and her eyes rolled inside out. Sometimes she tends to doze off with my dick still inside her. She tells me it feels so good, she can fall asleep during intercourse. But somehow we still manage to have the best sex possible. She says she is so addicted to me and never wants me to go. I try not to go, but I always try to come.

But evening does come around and I must go. I showered and dressed. She puts a robe on. Before I left, she said she wanted to meet once a week. I agreed and we made the arrangements. Every Friday night, after dinner but before eight. That is why I have always loved sex with an older woman. They know what they want.

I may be what some people consider petite. I may be only five-foot-three and Jenner is nine inches taller than me, but we make a perfect fit. Especially when it cums to his huge cock and my tight pussy. When he puts it into my love hole, it just drives me crazy. And I just can't wait for you to see him cream my pretty natural breasts. Ohhhh, so nice.

hard action on and off the court

Lola asked me out to dinner and then to eat her out.

It was dinner-time on a Friday night, but instead of chow, my buds and I went to Boyz In The Hoop, a new wings/sports bar downtown. We were trying to watch some basketball play-off games while pounding a few brewskis and six orders of wings. Our server Lola, was this fantastic chick that kept us in beer and wings, smiling and cheering along with us as our chosen teams won or lost. She was wearing a black tank top, a couple sizes too small, with the bar's logo stretched across her chest. Her full boobs pushed at the fabric and when she poured a beer her cleavage provided a perfect background for the pour. Score!

When we first sat down, we joked about it and kept teasing Lola as the evening wore on. Her quitting time was ten pm, but after several drinks, we started giving her a hard time about her tight top. After the second game that night, my buds split and I was alone at the bar. Most of the sports fans had gone, and another crowd was coming in for late nite bites. I was headed for the door when I felt a hand come up behind me and weave it's way through to my elbow. I look sideways and it's Lola.

She had put on a jacket and said she'd buy me drinks at another place down the street if I wanted to since I was so nice and we

tipped her really big. \$120 to be exact since the three of us guys sat there for hours and she probably lost count of our drinks. I smiled and said 'Sure, I'd like that.' So we walked a few blocks down the street to a cute little Italian place and ordered up a large pizza with pepperoni and lots of black olives. And by the time we finished we had downed a bottle of red wine also.

After dinner she asked if I wanted to go back to her place to watch one more game that had started late on the West Coast and I said sure, but only for an hour or so since I had to work on Saturday morning. I followed her to her apartment, parked on the street and met her at her door. Inside, Lola's apartment was nice, not too girly with muted colors everywhere. I dropped my jacket on top of the arm of her overstuffed sofa.

As I sat on the sofa, she walked over to the television set and promptly turned it on. The channel for the game was already set and it had just started from L.A. She looked back at me and professed that she was a big basketball fan and even played some in college. "Mostly, I warmed the bench, but I did have a few games in double figures," she said to me. I could sense the pride and excitement in her voice. "I just love basketball," she said. "That's why I work in a sports bar!"

I moved my tongue between her pussy lips and inside her wet hot pussy, and licked her juices with a passion. It tasted salty but sweet as she wiggled on the sofa.

We sat close to watch the game. We talked football, baseball and basketball. We drank and laughed. Lola knew a lot about sports. As the first half ended, things began to heat up between us. She told me what a nice guy I was – that she enjoyed our dinner together and appreciated that I came back to watch the game with her. Leaning over she gave me a little kiss close to my mouth and then planted one right on my lips. I responded in kind and the action started. She coyly slid a hand up my thighs, and I was all over her chest, fingering her nipples over the thin material. No bra, of course. I liked that.

Abruptly, she got up and announced that she had to do something before the second half started. Mentally, I tried to calm my penis down hoping she would not leave me like this. She disappeared into the bedroom and came out about five minutes later. Plopping down on the sofa, she had left her long pants in the bedroom and was wearing cute white shorts with a red trim, wide waistband and a deep red '69' in the lower left.

She approached me on the sofa and instead of sitting on it, Lola dropped to her knees right in front of me. She took my drink and put it on the side table and bending closer to me she whispers that she freshened up and wanted me to lick her pussy while she watched the game. My cock answered for me when she reached down and grabbed it.

Lola then pulled her shorts off and

sat back on the sofa. I asked if I could take my clothes off and she said that I had better. In two seconds I was naked and on the floor between her legs. I took her by the back of the head and pulled her forward so I could grab the bottom of her shirt and pull it off her. Her beautiful boobs were now exposed to me. I moved my hand to cup one of her breasts lightly.

I bent down and slowly moved my tongue over her erect nipples and heard her sigh. I sucked them gently but firmly and felt her quiver with excitement at what we were doing. I moved down further until my head was between her legs. I slowly licked her inner thighs and moved my tongue up to her pussy. It was moist and slippery. I opened her slit with my fingers and lightly licked and sucked her clit. It became harder under my tongue and I heard her inhale noisily.

I moved my tongue between her pussy lips and inside her wet hot pussy, and licked her juices with a passion. It tasted salty but sweet as she wiggled on the sofa. She came with a rush; her face was crimson red from cum. I continued licking her for another two minutes until both she and the second half came.

She stood up and told me to sit on the sofa. She slowly moved her hand down and held my erect cock and knelt down and slowly licked and flicked the tip of it. Slowly she rocked back and forth until she had my cock in her mouth and slid her tongue over the head. She played

Grabbing both cheeks, I spread them apart. I felt her stiffen when the depth of my cock hit deep inside her. I moved slowly at first, then faster and deeper...

with my balls in her hand and I nearly spurt a load in her mouth right then and there. I wanted to blow, but knew it was too soon.

She backed off the blow job and gently stroked my cock as she said, "I didn't want you to cum just yet." "Why not?" I asked. She opened her mouth and kissed me greedily, because I want you to fuck me in the ass," she whispered as her fingernails titillated my shaft and scraped across my balls.

I was totally dumbfounded. Trying to act less uncomfortable, I asked if we have to finish by the start of the fourth quarter. She laughed and went to the side table, opened the drawer and pulled out a fair sized dildo. She held it up in front of me and said, "This is for my pussy." I was relieved because for a moment I thought it might be going into my ass. She got some lube out and put it down on the sofa next to us. Lola got on the sofa on her hands and knees. She wanted this doggy style.

Lola's fine ass wiggled in the air as she slid the dildo deep into her pussy and I lubed her butt hole as she moaned in anticipation. Bursting with eagerness, I slowly inserted my cock in her tight hole, a half-inch at a time. She gave a slight squeal as I pushed my rock hard cock into her hot butt. Grabbing both cheeks, I spread them apart. I felt her stiffen when the depth of my cock hit deep inside her. I moved slowly at first, then faster and deeper as she slid her dildo in and out of her pussy. I could feel it against my cock as an-

other orgasm built up in her, then erupted. I wrapped my arm around her, holding both her boobs in my hands as I moved in and out of her amazingly tight brown flower.

She groaned in delight as I felt her hot sweaty skin beneath me. The teams were headed back onto the court as halftime was expiring and she again rose to orgasm. I felt my balls fill and my cock throb as my cum started to spurt from my bursting cock. Lola moved from under me and grabbed my cock in her hands and brought it to her mouth, fulfilling all my sexual desires, watching her swallow my hot jizz as it spilled out from her lips. She licked my cock clean and washed it down with a sip from her wine glass.

I took the glass away from her and rolled her over on her back and attacked her sloppy wet pussy with the dildo still in it. I pushed it in deep and knelt down to lick her clit. She was in ecstasy as I licked and pumped the dildo. I looked up at her and I could see she was staring at the game. But that didn't keep her from cumming one more time, her love juices flowing out of her and all over me and the rubber dick.

I slowly pulled it out as I licked her incredibly hard nipples. She looked at me and then to the TV as the crowd noise got her attention. We both sat up and took in the rest of the game as I played with her tits and pussy and she played with my cock. I have to tell you, this was the most amazing game we never saw. Does anyone know who won?

Don't tell my husband, but I also have a thing for bodybuilders with big cocks, and have the pictures to prove it. My best friend took the pictures to your magazine and some shows me doing things with my tongue that are probably illegal in some places. Just because I walk around naked doesn't mean I'm a slut. I'm just comfortable with my body and my sexuality. And I show them both off as much as I can.

Even though we haven't met yet, I'm feeling you looking at me and that's making me hot and my panties are getting moist.
